### LED luminaire for bathroom mirrors with reflected projection

**Materials:**

metal alloy

**Finishes:**

chrome plated

**Light sources:**

SMD LED module

**Application type:**

bathroom mirrors

**Installation:**

directly on the mirror

### Features

HAVASU is a metal alloy applique ideal for lighting up bathroom mirrors. Supplied as standard with clamp for direct installation on the edge of the mirror.

#### No point effect technology

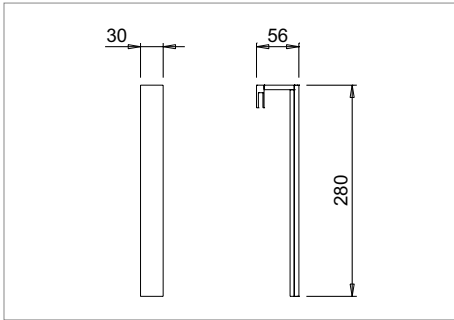

The light projection of the luminaire is homogeneous, diffused and devoid of the dotted effect typical of traditional LED luminaires.

#### IP44 Splash protection

HAVASU is a device with IP44 degree protection.

Device with non-replaceable LED module  
Energy efficiency class: A++, A+, A  
EU Regulation No. 874/2012

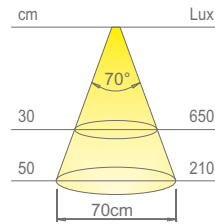

**HAVASU**

for installation on mirrors

Code	Watt & Volt	Light colour	Finish
1226309B	6W @ 350mA	warm white	chrome
