12275__B1/IG	5W @ 24Vdc	super warm white

Code	Finish
05	aluminium
32	black matt

LED CONVERTER NOT INCLUDED. TO BE ORDERED SEPARATELY.

**SLOTTY**

**POLAR SWS** comes as standard with a special distributor (SLOTTY) that allows to connect other POLAR slave and to create sets of devices controlled by the on/off switch of POLAR SWS.

**POLAR** is a luminaire made entirely of aluminium with a thickness of only 4mm. **POLAR** has been designed for rapid mounting on the surface and on the wall with only two screws. This makes it possible to conceal the power cable directly on the back of the cabinet without having to plan preventive and complex holes in the cabinet.

SETS OF 2, 3, 4, 5 **POLAR** AND POWER SUPPLY ARE AVAILABLE ON REQUEST.

For power supplies and accessories see page 46 or browse the Domus Extra catalogue.

**FINISHES**

**ALUMINIUM** (code 05)

**BLACK MATT** (code 32)

<sup>1</sup> For UL-certified model codes, see the **American standard LED collection catalogue**, also available at [www.domusline.com](http://www.domusline.com)
